

BELLMONT

CABINET CO.

FRAMELESS IS MORE

Frameless cabinets offer you MORE - more storage, more organizing options, more value, and more ways to express your style.

THE FRAMELESS ADVANTAGE

Unlike traditional face frame cabinetry, frameless cabinets combine the clean look of modern, full-overlay, flush-fitting doors and drawers. The unobstructed, full-access interiors create more storage and an organized space, while providing superior strength and trendsetting style.

STRENGTH

Solid full-top construction and drawers with a 75lb. load capacity provide superior strength, structural precision, and lasting value.

STYLE

Clean lines, slim gaps, and flush-fitting drawers compliment interior design styles ranging from ultra-modern to traditional.

SPACE

Greater accessibility, unobstructed by a frame, creates more usable space and gives you easy access to your items inside.

MATERIALS AND FINISHES

Bellmont Cabinet Co. offers a unique collection of door styles, available in a variety of on-trend materials and finish options.

*Some exclusions apply.
See your Belmont Cabinet Co. Dealer for details.*

THE FINISH DETAILS

Great pride is taken in our eco-sensitive finishing processes. A blend of handcraftsmanship and state-of-the-art machinery produce beautiful color depth and a long-lasting smooth satin finish. Durability and ease of maintenance are ensured by the final automated application of our topcoat.

STAIN

Stains are hand-applied with our multi-step process and protected with multiple coats of clear, eco-sensitive catalyzed conversion varnish.

PAINT

Our durable, earth-friendly satin paint finishes are achieved through an innovative multi-layer application process of primers, pigmented color, and topcoat.

ARTISTRY

Replicate old-world charm and elegance by highlighting open wood grain and door details with unique paint colors, subtle dry-brush glazes, sanding, distressing, and other handcrafted touches.

ENVIRONMENTAL STEWARDS

Bellmont Cabinet Co. has demonstrated an ongoing commitment to environmental responsibility and sustainability for 30+ years, and when given the choice, we choose 'GREEN'.

This is why we're a certified member of the Environmental Stewardship Program (ESP), administered by the Kitchen Cabinets Manufacturers Association (KCMA). This voluntary program supports our commitment to conservation and ensures our compliance in air quality, sustainable material usage, emissions, energy-efficient manufacturing, and waste & recycling management.

ALDER

Native to the Pacific Northwest, Alder has a fine, smooth, straight grain with random mineral streaks, tight knots, and mild color variations from pale reds to reddish-browns.

- Also available in Rustic Alder, featuring random pin holes, knots, and grain variation. -
Some exclusions apply. See your Belmont Cabinet Co. Dealer for details.

**Premium Stain*

CHERRY

Common in fine furniture, Cherry is an eastern grown hardwood that exhibits a smooth, tight grain, and mild color variations from pale yellows to deep reddish-browns. Fine pin holes, pitch pockets, grain variation, and darkening with age all occur naturally, adding to the beauty of Cherry.

RED OAK

A timeless American classic, Red Oak is known for its coarse texture, predominant contrasting grain patterns, and overall strength and durability. Color variations from pale yellows to reddish-browns are typical and more prominent with light or natural finishes.

1900: BRIARCLIFF | Cherry | Bourbon • BRIARCLIFF | Paint | Silvermist

1900: PASADENA | Red Oak | Bourbon • PASADENA | Paint | White

RIFT WHITE OAK

An American-grown hardwood, White Oak is light to medium-brown in color. Boards are cut perpendicular to the growth ring, creating a unique, straight grain pattern with light-colored flecks. The fresh, contemporary appearance is ideal for modern or classic door styles.

**Premium Stain*

MAPLE

Admired for its consistency, Maple's dense, smooth grain patterns and uniform coloring allow it to take lighter stain colors well. The occasional dark mineral streak and mild color variations add to Maple's character.

*Premium Stain

WALNUT

Black American Walnut grows in the eastern states, and like Cherry, has been synonymous with fine woodworking for centuries. This rich brown wood has an attractive grain pattern and is prized for its warmth and strength. Walnut will lighten with age and light exposure.

*Premium Stain

1900: MONTICELLO | Maple | Praline • MONTICELLO | Maple | Spice

1900: AVANT | Walnut | French Roast • GRIFFIN | Paint | Pepper

SAPELE

A member of the Mahogany family, Sapele is native to central Africa. This dense, strong wood, easily recognized by the well-defined ribbon grain pattern, is golden brown in color and will darken with age. For best results, use Sapele on flat panel or shaker style doors.

*Premium Stain

WINDSWEPT** COLLECTION

WEATHERED STAINS

Beautifully inconsistent, color variances are emphasized as the underlying wood grain is highlighted. Finished kitchens may be all the same, or range in color from door-to-door or within the same door.

- Available on Alder, Cherry, Red Oak, & Rift White Oak. | Shown on Red Oak. -
