STYLE AND CONSTRUCTION

Precision routed door and drawer designs reflect today's most desirable looks in cabinetry.

Entire cabinet made of 3/4" all-weather high-density polyethylene (HDPE) for long-lasting beauty.

Matching interior and exterior finish for a flawless look.

Modern full-access box construction with full-depth adjustable shelving for an abundance of storage.

Integrated poly-glide design allows for a smooth, maintenance-free drawer operation. Optional stainless steel, soft-close glides available.

304 stainless steel 6-way adjustable hinges feature a soft-close mechanism for a whisper-soft close every time.

Factory machined, optional decorative end panel eliminates the expense of an overlay panel.

Constructed with a patented hidden joinery system for a beautiful exterior finish with no visible fasteners or screws.

High performance, heavy-duty adjustable legs with optional clip-on toe-kick. Adjusts 34" minimum to 35.875" maximum.

GLIDE STYLES

POLY-GLIDE SYSTEM
Standard integrated poly-glide design allows for smooth, easy drawer operation. This maintenance-free option has a lifetime warranty.

SOFT-CLOSE SYSTEM
Optional stainless steel soft-close glides with full extension. Drawer glides support up to 75lbs and has a two (2) year warranty. An additional charge applies.

ADDITIONAL FEATURES

- Solid uniform color and surface allows minor scratches to go virtually unnoticed.
- Low-maintenance, easy to clean. Cabinets never need sanding or painting.
- Fully assembled and ready to install with minimal tools and hardware.
- Lifetime limited warranty for years of worry-free use.
- Eco-friendly with no toxic emissions. Cabinets can be recycled at the end of their life-cycle.

THE DETAILS

MAKE US DIFFERENT

Endura pairs quality USA craftsmanship with cutting-edge innovation. Constructed in HDPE, this new outdoor kitchen collection offers elegance with casual sophistication.

Careful detailing has gone into the design and execution of each piece, from the well-crafted door embossing and edging to the innovative, patented hidden joinery technology for solid joints. The innovative materials, advanced manufacturing, and thoughtful design allow Endura to synthesize classic styling with a modern appeal.

DURABLE CONSTRUCTION

The 3/4" marine-grade HDPE is UV and weather-resistant. Cabinets will never rot, delaminate, or splinter and never need refinishing.

INNOVATIVE TECHNOLOGY

Uniquely constructed with an hidden patented joinery technology for a beautiful finish with no visible fasteners.

MADE IN THE USA

Discover the excellence of American-made outdoor cabinetry. Endura is manufactured and hand-assembled in Tampa, Florida with materials sourced from American companies.

LIMITED LIFETIME WARRANTY

Assures the cabinetry you are buying is of good quality and without manufacturing defects, for years of worry-free enjoyment.

EASY TO CLEAN

Easy-to-clean surfaces means you spend more time enjoying your cabinetry and less time cleaning them.

100% RECYCLABLE

HDPE has a recycling code of 2, which means at the end of its lifetime, it is easily recycled into usable products for home and garden.
